

# Astra 002 Lounge Chair High Backrest

Design Rodolfo Dordoni

Technical Information

An elegant collection of reclining furniture, on wheels, dedicated to starry skies: lets you dream and change perspective with a gesture. Astra's design plays on the juxtaposition of solid tubular stainless steel and cotton-feel ropes to give a fresh, light and comfortable combination to two lounge armchairs – with high or low backs – and a three-seater sofa. A feature of the range is the armrest of the seats, formed by a double cylinder covered with cords.

## TECHNICAL INFORMATION

**DESCRIPTION**  
Lounge chair high backrest for outdoor use.

**STRUCTURE**  
Powder coated aluminium.

**CORDS**  
Polyester or acrylic (cord Ø 7 mm)  
Reclining back.
