RODA and MISSONI come together in a partnership of excellence that enhances outdoor furniture and textiles that share an innovative spirit, close attention to design, sophisticated taste and territory of origin. Shapes accommodate patterns and fabrics dress furniture in the harmonious and complementary fusion of two worlds — RODA and MISSONI — that have always been linked to design, know-how, creativity and beauty. Symmetrical forces between two industrial yet artisanal companies that are both recognisable for the precise design of their products and the excellence of their manufacturing skills in the Varese area. Protagonists of the catalogue are colours, which stand out for their lively refinement, free of time and size. Shades come alive in graphic motifs and enhance the furniture profiles; chromatic variants that shift between delicate neutrals and deep blues, bright reds and intense greens. Colours and textures that celebrate elegance and great workmanship, shared values in an unprecedented union of skills and expertise. And so colours find expression and application in the various jacquard designs of solution-dyed yarns whose soft touch envelops and embellishes some of RODA's best sellers for the outdoors: furniture for every space and colours for every moment, in a synthesis of exquisite and fascinating style.

RODA MISSONI

ALL SEASON COLOURS

INTRODUCTION

RODA e MISSONI, insieme, suggellano una partnership di eccellenza che valorizza arredi outdoor e tessuti accomunati dallo spirito innovativo, dall’attenzione al design, dal gusto sofisticato, dal territorio di origine. Le forme accolgono i pattern e i tessuti vestono gli arredi, nella fusione armonica e complementare di due mondi — RODA e MISSONI — legati da sempre al progetto, al saper fare, alla creatività, al bello. Una simmetria di forze tra due realtà industriali e artigianali che sono entrambe riconoscibili, nei loro prodotti, per il disegno accurato e l’eccellenza della qualità manifatturiera, realizzata nel distretto di Varese. Protagonisti del catalogo sono i colori, che spiccano per la raffinatezza vivace, senza tempo né dimensione. Toni che vivono nei motivi grafici ed esaltano i profili degli arredi, toni declinati in varianti cromatiche che si muovono tra neutri delicati e blu profondi, tra rossi vivi e verdi intensi. Sono sfumature e matericità che celebrano l’eleganza e il fatto bene, valori condivisi in una inedita unione di abilità e competenze. E così i colori trovano espressione e applicazione nelle diverse lavorazioni jacquard dei fili tinti in pasta che, con il loro soft touch, rivestono e impreziosiscono alcuni tra i best seller di RODA per l’outdoor: arredi per ogni spazio e colori per ogni momento, in una sintesi di stile ricercata e affascinante.
