Design Rodolfo Dordoni

Technical Information

The NETWORK outdoor sofas and accessories system bases its concept on a grid made of teak structure and polyester belts: the solidity of wood meets the cottony touch of the polyester belts, as the warp and the weft of a fabric, in an incessant game of empty and full spaces, softened by cushions. NETWORK the first collection signed by Rodolfo Dordoni for RODA, is not just a pleasant outdoor design collection, but a philosophy based on the belief that it is possible to enjoy the outdoors like a true and complete interior design project.
