

Orson 008 Sunlounger

Design Gordon Guillaumier

Technical Information

The perfect combination of classic teak garden furniture with a contemporary shape: here is ORSON, a collection of outdoor chairs, lounge chairs and a lounger, characterized by harmonious and sinuous lines and by skilful woodworking. From the foldable director's chairs, dressed with Batyline fabric that seem to wear an evening dress, to the sunlounger in teak designed to ensure an ergonomic and comfortable support in perfect balance between material, shape and color, ORSON is the synthesis of a chic outdoor furniture, with a "bourgeois" appeal.
