Piper 007 Sunlounger (stackable)

Design Rodolfo Dordoni

Technical Information

PIPER is a collection designed and developed around aluminium tubing. A wide range of chairs, bar stools and chairs with arms for the dining area, as well as cross-shaped tables and a sun lounger with a large batyline seat. Here is a great opportunity for mix-and-match settings, thanks to continuity of design and a wide variety of materials and structural fabrics.
