

# Plein Air 068 Lounge Chair

Design Michael Anastassiades

Technical Information

A series of garden tables and armchairs of refined geometry that amazes with its style, details and combinations of materials and finishes. The aluminum frame of the table originates in a line rising up the leg to create an angle, where it continues to become a rounded chassis. The different measurements aim these classy and minimalistic dining tables to be the protagonists and allies of all domestic outdoor and indoor spaces.
