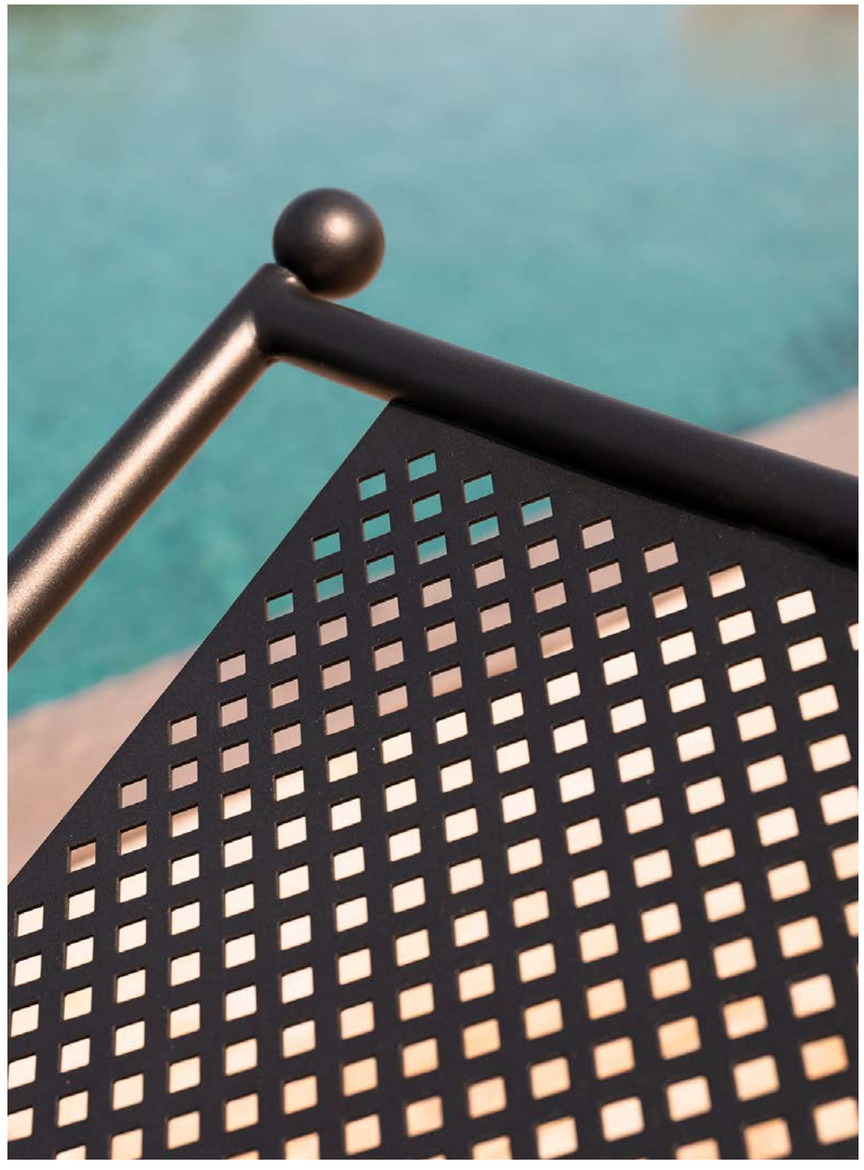
Technical Information



A name that evokes the elegance of the pearl of Lake Maggiore — STRESA — with its perfectly preserved Liberty-style villas and timeless charm. This collection is a contemporary reinterpretation of classic outdoor metal furniture — those garden pieces found in lakeside hotels and residences, as well as on seaside terraces or in the countryside. It offers a modern vision of a tradition-infused idea: from the dining table to the lounge area and the sunlounger, every furnishing element carries with it a timeless allure.
