

Teka 002 Sofa

Design Gordon Guillaumier

Technical Information

A wide-ranging collection to create settings with compositional harmony, for lounging and dining. The design is based on an original geometric construction in the shape of a prism.
A formal detail distinguishes the upholstery: buttons slip through the slats of backrests and armrests perfectly, adding an aesthetic element that prevents the cushions from slipping.

TECHNICAL INFORMATION

DESCRIPTION
Sofa for outdoor use

STRUCTURE
Teak

SEAT SUPPORT
Batyline

CUSHIONS
Hydro draining

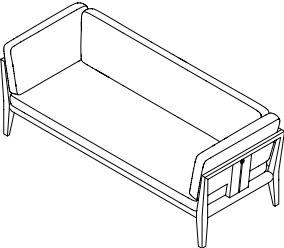

WEIGHT	
Structure	37 kg
Cushions (seat + back)	14,5 kg
